## Introduction

In line with the guidelines of the Higher Education Commission (HEC) for Post-Secondary overseas recognised accredited institutions to set up Post-Secondary educational institutions in Mauritius as a separate entity from the parent institution, with degree awarding powers at start of activities, the JSS Academy of Higher Education & Research (JSSAHER), Mysuru, formerly known as JSS University, a **‘deemed to be university’** located in Mysuru, Karnataka, India, which operates under the aegis of the JSS Mahavidyapeetha, set up and sponsored the JSS Academy of Higher Education and Research, Mauritius (JSSAHERM) as a post-secondary institution with degree awarding powers at the start of activities in Mauritius.

The relationship between the parent institution (JSSAHER, Mysuru) and the local institution (JSSAHERM) is contained in a contractual agreement (MoU) signed between the two institutions on 19<sup>th</sup> September 2018.

The intention is motivated by the legacy and sustaining principles of the founding pontiffs of the Sri Suttur Math and the JSS Mahavidyapeetha with a view to provide post-secondary education and training to enhance the quality of life for the benefit of society, with special emphasis in Mauritius and the African region.

The JSSAHERM and JSSAHER, Mysuru entered into a contractual agreement (MoU) signed on 19<sup>th</sup> September 2018.

JSSAHERM is located on a sprawling eight-acre freehold campus at Bonne Terre, Vacoas, Mauritius the only one of its kind in the country, comprising of 14,689 sq.mts of built-up area with necessary infrastructure, to improve the quality of post-secondary education in Mauritius. The campus also comprises of hostels for boys and girls, sports facilities such as Volleyball, Basketball, Football and in-door games. There are also residential units for students, staff and guests.

JSSAHERM has developed together with its parent institution JSSAHER, Mysuru well defined objectives, rules and bye-Laws to achieve the objectives of the institution and to operate as a degree awarding institution.

## Vision

A world class centre of excellence in the Indian Ocean to enhance quality of life for the benefit of Society in diverse nations through education, training, research and innovation.

## Mission

To provide students with an outstanding quality and innovative education and training, based on research and personality development.

## Values

1. Freedom, Learning and Discovery

2. Opportunity, Responsibility and Autonomy
3. Empowerment, Resilience and Excellence
4. Leadership, Proactiveness and Perseverance

### **Aims**

1. To create an excellent educational environment of high standard in Mauritius.
2. To impart an outstanding quality tertiary level education and training to Mauritians and students in the region.
3. To provide education at affordable costs to Mauritians and students in the region as compared to high level fees in UK, Australia and other countries.
4. To be the forerunner in developing a very good academic infrastructure for the progress of people of Mauritius.
5. To set up a Science and Technology Entrepreneurs Park (STEP) to provide value added programmes and services for the students, unemployed youth, working professionals and aspiring entrepreneurs in Mauritius and the African region.

### **Commitments**

1. To provide Mauritius an excellent educational facility, infrastructure and adequately qualified and experienced teaching faculty and support from our own sister organizations in India at Mysuru, Ooty and New Delhi.
2. To provide health science manpower to Mauritius and to the rest of the world.
3. To provide employment opportunities to the Mauritian at different cadres in teaching and non-teaching.
4. To subsequently provide educational facilities in other fields such as Nursing, Education, Business Administration, Industrial Training, Sugar Technology and Textile technology.
5. To provide higher learning at Post-Graduate levels in health sciences and all other fields of education in collaboration with other reputed Universities.

### **Educational Philosophy**

Education is the primary tool for bringing about a progressive change in our society. On the basis of this philosophy of its parent institution, JSSAHERM focuses on providing quality education and training to the society to ensure a better quality of life.

Relying upon its philosophy of *Quality Education at Affordable Costs*, JSSAHERM aims to present itself as the premier destination of choice for higher education and training in Mauritius for Mauritians and for citizens of the developing countries of the Indian Ocean and the African region, where the demand for quality higher education in various fields is increasing rapidly.

## B. Calculation of Semester Grade Point Average (SGPA)

The performance of a student in a semester is indicated by a number called ‘Semester Grade Point Average’ (SGPA). The SGPA is the weighted average of the grade points obtained in all the courses by the student during the semester. For example, if a student takes five courses (Theory/Practical) in a semester with credits C<sub>1</sub>, C<sub>2</sub>, C<sub>3</sub>, C<sub>4</sub> and C<sub>5</sub> and the student’s grade points in these courses are G<sub>1</sub>, G<sub>2</sub>, G<sub>3</sub>, G<sub>4</sub> and G<sub>5</sub>, respectively, and then students’ SGPA is equal to:

$$\text{SGPA} = \frac{C_1G_1 + C_2G_2 + C_3G_3 + C_4G_4 + C_5G_5}{C_1 + C_2 + C_3 + C_4 + C_5}$$

The SGPA is calculated to two decimal points. It should be noted that, the SGPA for any semester shall take into consideration the F grade awarded in that semester. For example, if a learner has an F grade in course 4, the SGPA shall then be computed as:

$$\text{SGPA} = \frac{C_1G_1 + C_2G_2 + C_3G_3 + C_4 * \text{ZERO} + C_5G_5}{C_1 + C_2 + C_3 + C_4 + C_5}$$

## C. Calculation of Cumulative Grade Point Average (CGPA)

The CGPA is calculated with the SGPA of all the semesters to two decimal points and is indicated in final grade report card/final transcript showing the grades of all semesters and their courses. The CGPA shall reflect the failed status in case of F grade(s), until the course(s) is/are passed. When the course(s) is/are passed by obtaining a pass grade on subsequent examination(s) the CGPA shall only reflect the new grade and not the fail grades earned earlier.

The CGPA is calculated as:

$$\text{CGPA} = \frac{C_1S_1 + C_2S_2 + C_3S_3 + C_4S_4 + C_5S_5 + C_6S_6 + C_7S_7 + \dots + C_nS_n}{C_1 + C_2 + C_3 + C_4 + C_5 + C_6 + C_7 + \dots + C_n}$$

where C<sub>1</sub>, C<sub>2</sub>, C<sub>n</sub>,... is the total number of credits for semester I,II,...,n, and S<sub>1</sub>,S<sub>2</sub>, S<sub>n</sub>,...is the SGPA of each semester I,II,,,n.

The rules/regulations governing maintenance of discipline amongst the students is enumerated below;

### A. Introduction

- i. The Academic Council shall establish Disciplinary Committee (DC) to hear and determine cases arising out of alleged breaches of the JSSAHERM's regulations.
- ii. The DC shall consist of a Chairperson and three other members
- iii. The Chairperson will be appointed by the Academic Council;
- iv. The other members shall be
  - a. The Deans of Departments wherever practical or any other Academic Staff nominated by the Dean of Faculty;
  - b. The Dean of Quality Assurance or his/her representative;
  - c. A representative appointed by the Student Union;
- v. The Secretary of the Disciplinary Committee shall be the Registrar or his/her representative.
- vi. When a complaint has been lodged with the Disciplinary Committee against a student, the complainant shall not sit as a member of the Disciplinary Committee during the hearing of the case.
- vii. The recommendations of the Disciplinary Committee will be submitted to the Academic Council for approval.

### B. Proceedings

- i. The Committee shall consider cases referred to it by the Dean of Faculty or any Deans of Units / Departments.
- ii. The Secretary of the DC, on receipt of a complaint shall convene a pre-hearing session within a reasonable time with the Dean of Faculty, Dean of Quality Assurance and the Registrar (or Representative) to determine the admissibility of the cases submitted. Cases that are not admissible are dismissed without any further action.
- iii. The Secretary shall send to the student required to appear before the Committee a written summon setting out the alleged offence. This summon shall be delivered to the student at least three working days before the meeting of the Committee and a copy sent to the Dean of Faculty. If the student fails to attend the hearing, the DC may proceed in his/her absence.
- iv. The student, against whom the complaint is made, may be accompanied to the DC by a person to assist him/her and in which case he/she shall inform the Secretary of his/her intention to do so as well as the name of the person assisting him/her, at least two working days before the date of the meeting.

- 
- v. The DC shall deliberate in camera and send a formal report to the Academic Council with appropriate recommendations.
  - vi. The DC shall recommend the actual penalty to be applied with regards to the seriousness and the recurrence of the offence.
  - vii. The following penalties may be applied either separately or in combination by the DC:
    - a. Issue a warning or a severe written warning to the student depending on the seriousness of the offence.
    - b. To take the module where examination irregularity was found as a resit as and when the module is offered.
    - c. To reset all modules cleared in the current semester to pass mark.
    - d. To reset all modules cleared in the current level to pass mark.
    - e. Suspension from the JSSAHERM for a period to be determined by the DC and repeat, without exemptions, the level in which the student was found guilty.
    - f. Expulsion from the JSSAHERM, hence terminating the student's registration. Re-admission, if requested shall be, without exemptions.
  - viii. Other than examination irregularities, offences of any other nature may entail penalties as may be recommended by the DC which is deemed reasonable.

### **C. Appeal**

- i. Any student who feels aggrieved by the decision of the Academic Council may appeal against that decision through the Office of the Registrar within 14 working days of the date on which the student was notified of that decision. A fee of MUR 5000 is payable while lodging the appeal. Such deposit will be refunded in case the Appeal is successful.
- ii. The Appeal will be considered by an Appeal Committee composed of:
  - a. A Chair, independent and outside JSSAHER, Mauritius, appointed by the President.
  - b. Two academic staffs appointed by the Dean of Faculty who have not been involved in the case/s being considered.
  - c. A representative of the Registrar as Secretary.
- iii. The recommendations of the Appeal Committee upon approval of the Academic Council shall be final.

## 1. About Mauritius

Mauritius is an island situated in the middle of the Indian Ocean, about 2,400 km off the east coast of Africa and about 5,000 km off the south coast of India. The pear-shaped island occupies 1865 square kilometres and is encircled by a continuous barrier of coral reefs giving Mauritius its beautiful blue lagoon. The Island has a population of around 1.2 million, of which 150, 000 reside in the capital city of Port-Louis. Given the rich history, Mauritius has become a cosmopolitan country with over half the population being of Indian origin, while the remaining population is composed mainly of Créoles, descendants of Africa, Sino-Mauritians and Franco- Mauritians, the original settlers of the island. The island has been a colony of the French and British for over two centuries. It became independent in 1968 and a Republic in 1992. Since its independence, Mauritius has always had a democratically elected government.

### **Weather**

Mauritius has a tropical climate with two seasons. Summer is from November to April, whilst winter is from May to October. In summer the temperature varies between 20°C and 33°C. Winter temperature ranges from 15°C to 25°C. In general the weather is very comfortable and pleasant. However, Mauritius is sometimes visited by tropical cyclones during the peak summer time. The rainy season is from December to April.

### **Languages**

Even though English is the official language of the island, Créole, French, and Asian dialects are more commonly used.

### **Economy**

Sugar, Tourism, Textiles, and Financial Sector form the four pillars of the Mauritian economy. Recently, the Government has invested massively in the ICT sector, with the creation of its first Cybercity, which will be another pillar of the economy. Every year there are 900,000 tourists visiting Mauritius for its beautiful beaches, warm weather, excellent hotels, safe resort, and courteous people among other attractions.

### **Telecommunication**

Mauritius has a very good communication infrastructure, thus providing the latest technologies to enable very efficient exchange with the rest of the world. Cellular phone services are widely used along with the traditional phones. Internet access is available in almost every home through a telephone line. For faster Internet access, ADSL technology can be obtained from local ISP providers.

---

## Transport

Buses are the most popular transport medium to go around the island. You can also rent cars, motorcycles and bicycles from local tour operators. However, there are no trains or tramways, since Mauritius is a small island.

## Cuisine

Mauritius has a magnificent diversity of cuisines to offer. The most common varieties are Créole, Indian, European, and Chinese with seafood almost always the specialty. A typical Mauritian buffet might include a Muslim bryani, Indian chicken curry, Chinese pork dish, Créole roast beef and French-style vegetables. Boiled rice is served with just about everything. Most restaurants offer a good variety of vegetarian dishes and favourite beverages of International brands as well as some local specialities.

## Music

There is an excellent variety of music programs on many Radio channels 24 hours a day, to satisfy anybody's taste. Very often popular singers from abroad come to Mauritius to give a live performance.
