1. ABOUT THE ORGANIZATIONS

JSS ACADEMY OF HIGHER EDUCATION AND RESEARCH, Mauritius (JSSAHERM)

The JSS Academy of Higher Education and Research, Mauritius (JSSAHERM) was established in 2018 with degree-awarding powers and is an approved and registered institution with the Higher Education Commission, Mauritius.

JSSAHERM is located on a sprawling eight-acre freehold campus at Bonne Terre, Vacoas, the only one of its kind in the country, including some 15,000 sq. mts of built-up area with necessary academic, learning, and recreational infrastructure. The campus also comprises of hostels for boys and girls students, sports facilities such as Volleyball, Basketball, Football and in-door games. There are also residential units for staff and guests.

Building on its philosophy of quality education at affordable costs, JSSAHERM aims to present itself as the destination of choice for higher education and training in Mauritius and the Indian Ocean region.

JSS Mahavidyapeetha (JSSMVP), Mysuru, India is the sponsoring society of JSSAHER, Mauritius and JSSAHER Mysuru, India is the mentor institution.

NAM S&T CENTRE

The Centre for Science and Technology of the Non-Aligned and Other Developing Countries (NAM S&T Centre; www.namstct.org) is an Inter-Governmental Organisation with a Membership of 47 countries spread over Asia, Africa, the Middle East and Latin America. The Centre was set up in 1989 in New Delhi, India, based on decisions taken during various NAM Summits and mandated to undertake a variety of programmes, including organization of conferences, symposiums and training courses and implementation of collaborative projects.

It also offers short-term Research Fellowships to scientists from developing countries in association with the Centres of Excellence in various countries. The Centre also brings out technical books, monographs and other scientific publications in different S&T subjects of interest to developing countries. The Centre's activities provide an opportunity for scientist-to-scientist contact and interactions; familiarizing participants on the latest developments and techniques in the subject areas; identification of the requirements of training and expert assistance; locating technologies for transfer between the Members and other developing countries, and dissemination of S&T information etc. In addition, the Centre encourages Academic R&D-Industry interactions in the developing countries through its NAM S&T-Industry Network.

2. INTERNATIONAL CONFERENCE - IEEHDS 2023

Promoting health and well-being is one of 17 Global Goals that make up the 2030 Agenda for Sustainable Development. An integrated approach is crucial for progress across multiple goals. On the other end, **“One Health”** is an approach to designing and implementing programmes, policies, legislation, and research in which multiple sectors communicate and work together to achieve better public health outcomes. The One Health approach is critical to addressing health threats in the animal-human-environment interface.

To achieve SDG 3 – “Good Health and Well-Being and One Health, ensuring healthy lives and promoting well-being for all at all ages is an important task. To achieve healthy living the best practices of different countries must be discussed and the policies should be recommended to the respective Governments.

In this context, the Centre for Science & Technology of the Non-Aligned and Other Developing Countries (NAM S&T Centre), New Delhi, India, in partnership with the JSS Academy of Higher Education and Research, Mauritius (JSSAHERM), is organizing an International Conference on **‘Improving Efficiency and Effectiveness in Health Delivery Systems in Developing Countries: Research, Implementation and Policy Issues’** during **November 21-23, 2023**. The Conference will be hosted and organized by JSSAHER, Mauritius.

Conference Objectives

The objectives of this conference are to

- Achieve universal health coverage, including financial risk protection, access to quality essential healthcare services and access to safe, effective, quality and affordable essential medicines and vaccines for all
- Support research, development and universal access to affordable vaccines and medicines
- Frame strategies to reduce mortality from non-communicable diseases and promote mental health
- Fight communicable diseases
- Increase health financing and support the health workforce in developing countries
- Substantially reduce the number of deaths and illnesses from hazardous chemicals and air, water and soil pollution and contamination – Environmental Health
- Understand the role of natural products in health care system.

- Select the appropriate registration category
- kindly pay the correct amount as per the category selected.
- After making the payment/bank transfer, kindly upload the transaction receipt on the registration page and submit the form.
- You will receive a confirmation email within five days of submitting your registration form. This email will include your unique registration number for any future correspondence.
- During the registration process, if you need any support, you can contact:
Dr Goutham Yerrakula, +230 57176958, gouthamyerrakula@gmail.com

4. ABSTRACT SUBMISSION GUIDELINES

Thematic Areas

1. Global Health Coverage
2. Quality Care
3. Improvement of Quality of Life (QoL)
4. Public-Private Partnership in the Health Delivery System
5. Global Awareness, Advocacy and Leadership
6. Antimicrobial Resistance (AMR) – Research, Strategies and Implementation
7. Use of Digital Technology in Achieving One Health
8. Diseases and Management – Emerging Infectious Diseases, Metabolic Disorders, Cancer, Cardiovascular Diseases and other Communicable and Non-Communicable Diseases .
9. Regulations of Diseases and Policy Matter
10. Environmental Health
11. Natural Products and Health
12. Strategies and Best Practices in Health Care

Abstract submission guidelines

- Abstract should not exceed 250 words [excluding Title, author name(s) and affiliation(s)].
- The abstract shall comprise the following;
 - o Title – 14 font size, bold
 - o Thematic area and Category (Oral or Poster)
 - o Author's name – 12 font size
 - o Affiliation – 12 font size, *italics*
 - o Main body (Introduction, aim & objectives, methods, results, summary & conclusion) - 12 font size, Times New Roman).
- The document should be renamed to the Name of the participant.
- The document has to be submitted in word format with a document size less than 10 MB.

Mauritius Island

Mauritius is an island located off the southeast coast of the African continent in the Indian Ocean. It is of volcanic origin and is surrounded by beautiful lagoons and palm-fringed beaches with coral reefs along most of the coastlines.

The population of the country is about 1.3 M, mainly of Asian origin. The total land area is about 2040 sq.km with an Exclusive Economic Zone of some 2.3 M sq.km.

Mauritius has preserved its image as one of Africa's few social and economic success stories e.g. sugar, textile, tourism and offshore financial center.

Places to Visit:

Black River Gorges, Tamarind Falls, Grand Baie (Beach), Rochester Falls, SSR Botanical Garden, Trou Aux Cerfs, La Vallee Des Couleurs Nature Park, Hiking to Le Pouce Mountain, Casela Nature Park, Grand Bassin.
